Welcome from the Transport Team

Hello Campers,

As you may know, included in your camp fee is a Day visit off site. We have chosen Seven places of interest, each different to cover a wide range of interests. We will transport you to your chosen place and pay the entrance fee – all you need to do is select the place you would like to visit, return the form as soon as possible and supply a packed lunch. The day's out will be from Monday 1st to Friday 5<sup>th</sup> August 2011. There will be over 2000 people on camp, and we need to fit groups around the availability of the activities, therefore we will notify you of the day of your trip at a later date. We understand that not everyone in your Group will want to go to the same place, so you may split your Group across different trips, providing that your adult: child ratios comply with Camjam guidelines (1:12 for Scouts and a minimum of 1 Adult Leader for Explorers). **Please note that these trips are for campers who have paid the full camp fee. Others can go if space is available at cost. Details can be given on request.** Places for the trips are limited so early booking is advisable (you are not guaranteed your chosen trip), if the trips are heavily subscribed to, we will have to operate a first come first served system. We will take dates of emails or post as it is received as the measure for this. The earlier you return the booking form, the better chance there is of you getting a place on your chosen trip.

Any questions please do contact us.

Kind Regards

*N. Webb*
